

Innovations

Designed to complement the 388 series from Heartwood,
Innovations offers over 100 components in 8 popular finishes...
and it's **IN STOCK!**

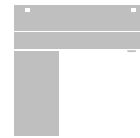

Innovations

Performance, choice and value define the **Innovations** Series.

High-quality construction, aesthetic design details and stand-out extras like soft close hinges are standard in this Series. Offering component options, finish variety and our exceptional **IN-STOCK** advantage, **Innovations** is the perfect choice for your office or workspace needs.

The **Innovations** series consists of over 100 components available in 7 different finishes. More than just good value, Innovations has the designer edge and the flexibility needed in the modern workspace to accommodate individual needs.

Layout #46
Calypso Height Adjustable
2-Leg Base with an Innovations Top
Shown in: Winter Wood

Features of HDL Innovations ...

- Largest inventory selection in Canada ... over 100 SKUs in 7 laminate finishes
- All laminate doors come standard with soft-close hinges
-  ECO-friendly products and CARB certified laminate
- Limited Lifetime Warranty
- Custom sizing needed? Innovations is perfectly matched to  Heartwood Manufacturing's made in Canada, Made-to-Fit 388 Series
- Compatible with HDL's Outlines Series desktop privacy systems

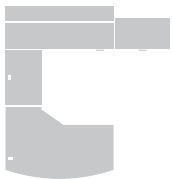

Built to Last

A great work environment requires a number of essential considerations.

Your workspace is important, it's where you get things done. It goes without saying that you want something that looks good, but what about flexibility and durability?

Innovations is designed to let you expand or add another workstation easily, within budget, and without compromising quality.

Quality office furniture, built for today's office, built to last.
